

Skagit Farm Circle Registration Form

Wednesday & Thursday, November 13-November 14, 2024
Skagit County Fairgrounds, Mount Vernon, WA

Thank you for your interest in Skagit Farm Circle! We are planning a fun, interactive educational event and look forward to hosting you. Please follow the bullets below to complete your registration.

- You are encouraged to fill out this registration form and submit it as soon as possible in order to obtain the best chance at a spot on our schedule.
- All classrooms who wish for their application to be considered are required to **read through our "Skagit Farm Circle Expectations" document** to get a full understanding of the event expectations. Each 3rd grade teacher must send in a signed copy of the expectations document in order to have a completed application. Applications that do not include this form **will not** be considered for the event. All teachers wishing to attend must sign the document and return it with this form.
- On the following page, please indicate which session your class/school would like to attend. We ask that you indicate as many times as possible. Our dates and times will be dependent on the responses we get from schools, so if possible, please fill out at least 2 options and we will do our best to give you your first choice. Note that the event is timed such that **your arrival at least 10 minutes prior to start time is essential.**
- In the *Scheduling Notes* column list any special needs or requests for scheduling (ex: student in wheelchair).
- Once we receive your application, we will send you a confirmation email and let you know as soon as possible if your school has obtained a spot in our limited capacity event. We will process the registrations on a first come, first served basis.
- This event is free of charge! If transportation hinders your ability to attend, please feel free to apply for a transportation grant. If your school wishes to apply for a transportation grant of up to \$150/bus. Please see the attached transportation grant form and return it with your application packet. Transportation grant recipients will be notified in the first week of October.
